P101 invests €6m in series-B for Bipi Mobility

Alessia Argentieri
26 February 2021

Italian venture capital house P101 has invested €6m in a series-B financing round for Madrid-based car rental platform Bipi Mobility.

The VC house invested in the company via Programma 102 – its flagship fund, which closed on €100m in 2020 – and Italia 500, a €40m vehicle launched by Azimut Libera
business and investment by P101
